

Literature Related to Adoption and Guardianship, Permanence, and Well-Being February 2017

Funded through the Department of Health and Human Services, Administration for Children and Families, Children's Bureau, Grant #90CO1122. The contents of this document do not necessarily reflect the views or policies of the funders, nor does mention of trade names, commercial products or organizations imply endorsement by the U.S. Department of Health and Human Services. This information is in the public domain. Readers are encouraged to copy and share it, but please credit the QIC-AG.

The QIC-AG is funded through a five-year cooperative agreement between the Children's Bureau, Spaulding for Children, and its partners the University of North Carolina at Chapel Hill, the University of Texas at Austin and the University of Wisconsin-Milwaukee.

Table of Contents

Intercountry adoptions and transracial adoptions.....	2
Siblings	9
Permanence with older youth	12
Interventions with children and caregivers that could be applicable for adoptive and guardianship families.....	13
Triple P Parenting Intervention.....	13
Telemedicine Interventions.....	14
Parent Management Training.....	15
Multidimensional Treatment Foster Care.....	16
PATHS Intervention.....	16
Tuning Into Kids	17
Other Interventions	17
Trauma and attachment issues	25
Permanence and guardianship with relatives.....	27
Factors that affect the well-being of children in adoptive and guardianship families	31
First Nation	35
Attributes of adoptive parents and guardians	38
The Adoption and Safe Families Act (ASFA).....	39
Open Adoption	41
Adoption Discontinuity, Disruption & Dissolution	43
Post Adoption Services.....	46
Adoption-General	48
Miscellaneous—Other Issues Relevant to Pre and Post-Permanence for Child-Welfare Involved Youth and Families	61
PTSD.....	61
Other Mental Health Issues.....	63
Substance Use	64
LGBTQ Adoption	65
Child Welfare Policy and Law	66
Guardianship	67
Permanence Planning	68
Pre and Post-Permanence Studies from Other Countries.....	71
Resilience and Child Welfare	73
Disproportionality/Disparities in Child Welfare.....	73
Evaluation of Child Welfare Programs.....	73
Foster Care	75
Other Misc.....	77

This comprehensive list of citations are relevant to the Quality Improvement Center for Adoption/Guardianship Support and Preservation (QIC-AG) two target populations:

- **Target Group 1:** Children with challenging mental health, emotional or behavioral issues who are awaiting an adoptive or guardianship placement as well as children in an identified adoptive or guardianship home but the placement has not resulted in finalization for a significant period of time.
- **Target Group 2:** Children and families who have already finalized the adoption or guardianship. This group includes children who have obtained permanency through private guardianship and domestic private or international adoptions.

The document contains citations between 1990 and 2016 that are categorized by various topic areas. This list was last updated in January 2016. This document can be obtained on the QIC-AG website at: <http://qic-ag.org/litreview/>.
